

NATURAL RESOURCE COMMISSION[571]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code sections 455A.5(6), 481A.38, 481A.39, and 481A.48, the Natural Resource Commission hereby gives Notice of Intended Action to amend Chapter 91, “Waterfowl and Coot Hunting Seasons,” Iowa Administrative Code.

These rules give the regulations for hunting waterfowl and coot and include season dates, bag limits, possession limits, shooting hours, and areas open to hunting. In addition to the existing north and south zones, the proposed amendments create a new zone for duck and goose hunting, referred to as the Missouri River zone, which includes all the lands and waters in the state of Iowa west of Interstate 29. The amendments also adjust the season dates to comply with federal regulations and to ensure the seasons open on weekends, as well as establish duck and goose hunting season dates for the new Missouri River zone.

The advantage of the new zone is that hunters will have the opportunity to hunt a week later in this zone than in the south zone. The establishment of three zones also increases flexibility for adjusting duck hunting season dates if duck seasons are shortened to 30 or 45 days. A shortened season could occur under the current federal regulatory framework if habitat conditions or duck population surveys decline. These zones and season dates keep the five-day September duck season in place, which is highly valued by many hunters, while providing different opening and closing dates for the second segments of the duck season in each zone.

The amendments also reduce the size of areas closed to Canada goose hunting and permit landowner hunting in all Canada goose closed hunting zones.

Any interested person may make written suggestions or comments on the proposed amendments on or before May 23, 2012. Written comments may be directed to Wildlife Bureau Chief, Wallace State Office Building, 502 E. 9th Street, Des Moines, Iowa 50319-0034; by E-mail at wildlife@dnr.iowa.gov; or by fax at (515)281-6794. Persons who wish to convey their comments orally may contact the Wildlife Bureau by telephone at (515)281-5034 or by visiting the fourth floor of the Wallace State Office Building during regular business hours.

There will be a public hearing on May 23, 2012, at 1 p.m. in the auditorium on the second floor of the Wallace State Office Building. At the public hearing, persons may present their views either orally or in writing. Participants will be asked to give their names and addresses for the record and to confine their remarks to the subject of the amendments.

Any persons who intend to attend the public hearing and have special requirements, such as those related to hearing or mobility impairments, should contact the Department of Natural Resources and request specific accommodations.

After analysis and review of this rule making, no impact on jobs has been found.
